

reinvent the way you work™

## Systems Furniture Installer / Drivers

BSI designs, builds and furnishes interiors for business. We are looking for experienced, hard-working, reliable installers/movers/drivers for our Waukesha location.

This is a full time position and hours are dependent on work schedule. Weekends and evenings are occasionally required.

### Responsibilities

- Installation of all major commercial furniture lines, such as Herman Miller, National, Global, etc.
- Wall mounting, custom cuts, install modifications, etc.
- Corporate moving and relocation.

### Qualifications

- Must have a valid driver's license and clean driver's abstract.
- High School Diploma or equivalent required.
- Minimum of 2 years experience with commercial office furniture installation.
- Excellent communication and customer service skills.
- Well organized with attention to details.
- Outstanding attendance and punctuality.
- Must maintain a safe work environment.
- Must be able to read and understand installation drawings.
- Must provide own tools specific to our industry.
- Must provide own transportation to and from job site.
- Ability to lift 50lbs on a regular basis.
- Ability to drive trucks ranging from 14'-26'. No CDL is required. Trucks have automatic transmissions.

### Qualified candidates shall submit a cover letter and resume to:
