

PROJECT PROFILE

Delta Dental of Wisconsin
Stevens Point, WI | 2022

FAST FACTS:

With a brand new headquarters in Stevens Point, WI, Delta Dental of Wisconsin set out to provide their associates with an inspiring space to maximize daylight, provide helpful amenities and outdoor seating, incorporate natural elements, and encourage collaborative work.

During the course of the project, the goals changed slightly, requiring the design to allow for rapid growth of the company versus only supporting their current employee count.

The Delta Dental of Wisconsin team also took into consideration the importance of technology working with the furniture. The collaborative and flexible spaces were designed to support the intended use of the space, while incorporating the audio visual standards of the client.

PROJECT SIZE: 70,000 sq ft

PROJECT DURATION: 1 year 11 Months

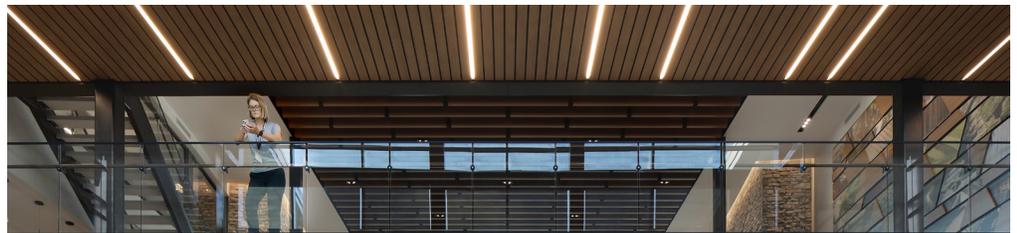

PROJECT COMPLETED: 2021
